# FAQ

## **What is Brown Sugar Boba?**

Our special Boba soaks in Brown Sugar syrup and takes 2 hours to make.

## **What is White Honey Boba?**

White Boba is like regular boba with a honey flavor

## **What is Blue Butterfly Boba?**

White Boba soaks in butterfly flower tea to give the natural color to the boba. It's regular sugary taste.

## **What is Dragon Fruit Boba?**

White Boba soaks in red dragon fruit juice and honey. Recommend adding to flower tea and fruit tea.

## **What is Aloe?**

Peeled aloe vera cut into mini cubes and cooked with cane sugar.

## **What is Heart Tea Jelly?**

Jasmine Green Tea based, tastes similar to Gelatin.

## **What will the flower do?**

- Rose: Promote blood circulation and beautify skin
- Osmanthus: Chinese flower, light taste, relaxes and smooth the mind
- Lavender: Relieves tension and anxiety, helps with sleep
- Butterflies: natural colored, no flavor. Improve immunity.

## **What is Tieguanyin?**

- Roasted Oolong tea. Low-Caffeine.
- What is Alpine Oolong?
- It's a Semi-fermented tea, taste of soft and mellow
- Any decaf drink?
- Flower series, brown sugar fresh milk, slush. Everything has tea in it with caffeine.
